ANNOUNCEMENTS:

Our Rotary Club is hosting a “Networking Informational Event”, on Thursday March 3, at 4:30 pm at Warfield’s. Each member is asked to invite a prospective member(s) to come and learn about Rotary and what it means for our communities. Very classy post card sized invitations (see picture to the right) will be distributed at upcoming meetings. Pick some up and use them to invite prospective members to this event. We need everyone’s help to make this a success.

IMAGINE ROTARY

RI President-elect Jennifer Jones has announced a very inspiring 2022-23 Rotary theme, “Imagine Rotary”. Jennifer urges Rotarians to dream big and harness their connections and the power of Rotary to turn those dreams into reality. “Imagine, a world that deserves our best...where we get up each day knowing that we can make a difference.” She wants us to imagine the possibilities in the change we can make to transform the world.

It has been announced that our district will once again participate in the Great Lakes Watershed Cleanup scheduled for Earth Day, April 22/23. Our club joined in last year and cleaned up the Sulphur Brook in the village. We plan to participate again

RECAP OF 1 FEBRUARY MEETING

Attendance: 10.

Pictured is President Tracy presenting a Paul Harris plus 2 pin to Jeff Graff. This pin symbolizes that, over time, donations to the Rotary Foundation in Jeff’s name total over \$3000. After an initial Paul Harris Fellow Recognition multiple Paul Harris Fellow Recognition is extended at subsequent \$1,000 levels. We thank Jeff for his many years of generous support of the Rotary Foundation which does good around the world and in our local communities.

The remainder of the meeting was a club assembly. We discussed the upcoming March 3 membership event at Warfield’s. In order to defray costs it was suggested that we ask each of our Rotarians to consider making a donation of \$15—the cost of the food—or more. There will, of course, be no cost for our guests. More information to come.
