RECAP OF 7 June MEETING:

Attendance: 15 **50/50:** Jean Day. Donated to the Club. Big pot is now \$87!

Program: Our own Todd Freelove, Executive Director of the Clifton Springs Family YMCA, gave a very comprehensive program about the grant process the YMCA goes through to secure the funding necessary for the operation and growth of this extremely valuable, and venerable, institution. The Y has served Clifton Springs and surrounding communities since 1877! Locally grants are supported by several very generous and community minded Foundations including: the Farash Foundation, Kyrias Foundation, Lisk-Morris Foundation, Mary Hicks Preston Foundation, Mary Clark Thompson Foundation, and the Rochester Area Community Foundation. The grant application process involves significant research and great attention to detail. During 2020-21 the Y received grant funding of \$387,678 from several organizations and agencies. Clearly leading the Y forward to a stable and sustainable future requires vision, a great deal of creativity, and a significant amount of old fashioned paper work. Thanks to Todd and David Michaels, Associate Executive Director, for all they do for the Y and our community.
