ANNOUNCEMENTS:

1) Our first **NEW MEMBER ORIENTATION** session is scheduled for Tuesday, 12 July at 11:30AM just prior to the regular meeting in the Rotary Room at the Hospital. New members are encouraged to attend if at all possible. This session will focus on the “basics” of Rotary membership including: The purpose and structure of weekly meetings, our committee structure, and a look at the activities, events, and projects in which our club is involved throughout the year. Future orientation sessions will cover: The purpose of the Rotary Foundation; Training and Leadership Opportunities within Rotary; Youth Services including our Youth Exchange Program, our Interact Club, and the Rotary Youth Leadership Awards (RYLA) program. If unable to attend any session we are hoping to repeat each session a couple of times on alternate days, times, and locations to give everyone a chance to hear the information, ask questions, and become comfortable as you begin your Rotary journey. Each session will be targeted on the topics and should last 30 to 45 minutes.

2) **STEAM PAGEANT SIGN-UP** is underway. The Pageant is scheduled for August 9-13. Please help with as many shifts as you are able. This is our biggest fund raiser of the year and we will need a lot of help. Anything you can do will be much appreciated.

RECAP OF 5 JULY MEETING:

Attendance: 13 plus Past President Tracy Crosby on Zoom.

50/50: Doris Hunter: “Donate to Camp Onseyawa”. Thank you Doris. Big pot is now \$135!
Program: President David Hamilton led us in a club assembly for his first meeting. He shared the member meeting assignments for the first several months of the Rotary year and provided descriptors for the roles of: Greeter/Pledge (leader) and Panhandler. He also provided Guidelines for Invocations as each member will be asked to offer an invocation at some point during the year. Pres. David also provided a current list of committees and committee assignments. He noted there are several openings and asked if anyone has an interest in joining a particular committee, or committees, to let him know. New members are encouraged to join and participate in any committee of interest to them. It is a great way to become involved in Rotary and contribute your talents to our causes. The committees are listed on our website: cs-rotary.org.

There was discussion about what to do with the more than \$800 contributed in the names of Bob Kloepfel and Dave Riggs. It was determined that the board of directors would make the final decision at it’s meeting on July 12.

Kris Blair distributed an order form for CS Rotary polo shirts. There was some discussion about whether or not to suggest a uniform color for the members. The board will determine at the meeting of July 12.
