**PROGRAM:** Mike Megalo, Coordinator of the Ontario County Emergency Preparedness Office, assisted by John Edwards who retires next week after 12 years with this office, gave us a very informative, and valuable, program on how to prepare for a variety of unexpected emergencies. He talked about the need for a plan and to be prepared for such events as: Winter Storms, Ice Storms, Electrical Storms and the like. He emphasized the need to have an emergency kit in your car and in your home. He provided detailed information on what items should be included in your emergency kits as well as what should be in an emergency kit for pets - along with other useful information. He suggested a visit to the Ontario County Website and Facebook page for more information. He concluded by saying: •Planning does help when faced with a crisis. •It is not difficult, but takes time. His office is there to help. [Michael.Megalo@ontariocountyny.gov](mailto:Michael.Megalo@ontariocountyny.gov).

**2023-24 Presidential Theme Announced**

Rotary International President-elect R. Gordon R. McNally revealed the 2023-24 presidential theme, *Create Hope in the World*, during the International Assembly in Orlando, Florida, USA, 9 January. McNally, a member of the Rotary Club of South Queensferry, West Lothian, Scotland, asked members to restore hope by helping the world heal from destructive conflicts and create lasting change within ourselves. McNally told attendees he plans to make mental health a focus and emphasized continuity in advancing the goals of previous leaders, including empowering girls and eradicating polio.
