SULPHUR BROOK CLEAN-UP 23 APRIL

Thanks to Mary DePorter we had about 30 students from Midlakes Elementary School volunteer to help us. A few parents joined in as well. As a result we were able to cover more ground and collect more litter and rubbish than last year. We thank all the kids who came out to help do a great service project for our pretty little village - and it was fun too! This was a part of the second annual "Great Lakes Watershed Cleanup" where Rotary clubs from around all of the Great Lakes, in both the USA and Canada, conducted similar projects in their communities.

RECAP OF 26 APRIL MEETING:

Attendance: 10 **Guest:** David Michaels
50/50: Jean. "Let It Ride". A new big pot is starting. John McCarthy won the previous week and donated to Christmas Baskets. Thank you John! **Program:** Scott showed us a slide show of his recent trip with Vivian to Alaska. They traveled from Anchorage to Talkeetna and took a small plane ride up to Denali. Amazing sights. Also traveled to Seward and did a whale watch in the Gulf of Alaska. The highlight was the moose walking down the street in the neighborhood in which they were staying.
