RECAP of 16 NOVEMBER ZOOM MEETING

Attendance: 10

Guest: Lynne Colacino, Speaker

ANNOUNCEMENTS:

- 1) **Festival of Lights is Dec. 3.** There are two shifts: 4:30 to 6:30 or 6:30 to 8:30 pm. Please let Jeff Criblear or Vivian know which shift you will be able to help serve, or cook, hots and burgers.
- 2) **Santa's Secret Workshop** will take place this year at the Elementary School. The dates are **Dec. 7, 8, and 9.** This is an excellent fund raiser for our club and a lot of fun to work. We will not have a regular meeting on Dec. 7, so that we can help Theresa at the workshop. Sign-ups and more information to come.
- 3) In lieu of our regular meeting on Dec. 14 it was decided to have a **holiday social event** in the evening. More details to come.
- 4) A reminder to donate to the **Rotary Foundation** this month. Please give your check to Hugh or Jeff C. and indicate if you would like the individual recognition points or if they should go to the club. You may also donate directly on line at the Rotary International website if you so desire.
- 5) The club will be hosting a **membership recruitment event** in January—date, time, venue, and program to be determined. Please be thinking of some potential Rotarians you may want to invite to this event.

PROGRAM:

Lynne Colacino presented a very informative program about all the services offered by Happiness House. In the late '60s, parents of children with Cerebral Palsy in Geneva banded together to start Happiness House. Thanks to strong community and family support during the '70s and '80s, outreach services for children and adults doubled. Year-round therapy and educational programs, the Parent Infant Program and the Summer Recreation Program were all in place. A second facility was opened in Canandaigua providing the same services that were offered in Geneva.

In 1992, Happiness House built an 18,500 square foot facility on Pre-Emption Road in Geneva, the current administrative home of Finger Lakes United Cerebral Palsy. Services continued to grow in Canandaigua leading to the opening of a second location on North Street, expanding special education services, offering Service Coordination, Clinic Services and an array of programs and services for individuals who had suffered a traumatic brain injury. During its fifty plus year history Happiness House has developed a reputation for leadership and innovation in developing exemplary programs - many of which have become models for statewide programs. Today, Happiness House provides a comprehensive array of programs and services to more than 1,150 children, adults and their families in Ontario, Seneca, Wayne and Yates Counties. Lynne concluded her program with an incredible "feel good" story which is worth watching. It is at 27 minutes of the recording of the zoom meeting which can be accessed at: bit.ly/3oztQNh - Passcode: z66%+C^F (may not be necessary). Thanks Lynne. Great Program!
