3) Pres. elect David announced that we will be applying for a District Grant again this year. The purpose of the grant will be to assist the YMCA in the implementation of their "Scholar Within" program. This is a literacy program that helps students with reading comprehension strategies, spelling, vocabulary, and time-management skills. The grant, along with a club contribution, will cover the cost of bookshelves, buying into the program, and training of staff.

## RECAP OF 15 MARCH MEETING

**ATTENDANCE:** 5 in person, 2 virtually via zoom, and guest Megan Kasperek.

**PROGRAM:** Megan Kasperek, proprietor of Local Palate in Phelps, brought us up to date on everything that has happened there since opening last January. What was a locally sourced grocery store at first has morphed into an all day café offering breakfast, lunch, and dinner, a coffee bar, and a great selection of beer and wine. The menu features local, and healthy, products. They present music three nights a week along with several specialty events such as Monday night beer bingo, a book club, paint and sip—guided painting, and more. Outdoor dining will be offered when the weather improves bringing some "curb appeal" to Phelps. Megan feels that our small towns in the Finger Lakes have a lot to offer with our abundance and natural beauty. We wish her nothing but success in her venture. If you have not been there yet check out Local Palate. It is well worth it.
