RECAP OF 22 MARCH MEETING

ATTENDANCE: 14 **Guests:** Prospective members David Michaels, Bob Sollene, and Garrett Bunce of the Clifton Springs Area YMCA.

PROGRAM: President elect Dave Hamilton led us in a club assembly. He announced that the district grant application for the YMCA “Scholar Within” program (as outlined in last week’s newsletter) will be submitted by April 1.

It was announced that the Interact Roller Skating Parties earlier this month netted that club \$1650! A big success. Thanks to all who volunteered to help the Interactors. The next parties are April 5, 6, and 7. We will need volunteers for those dates as well.

GOOD NEWS! It was announced that we have received a Corporate Membership Application from the Clifton Springs Country Club (Since Tuesday’s meeting we received an application from FLACRA). The applications have gone to the board for approval. There are other applications in the works we are told. If everything goes well, we are planning to induct our new members during a special “**INDUCTION TUESDAY**” celebration at our regular meeting on May 10. For those working with prospective members please try to get the applications to Theresa as soon as you can so that the board can take action and the necessary induction materials can be ordered. Prospective members are, of course, always welcome to attend any of our meetings/events and volunteer to help with any of our projects such the chicken BBQ. April 2, and the Earth Day Sulphur Brook clean-up, April 23.
