RECAP OF 19 JULY MEETING:

Attendance: 17 Plus Tracy Crosby, Michele Pane, and Ruth Donk on Zoom
50/50: Matt Sickles: "Let it ride". Thank you Matt. Big pot is now \$159.

Paul Harris Fellow: Our club was honored to name Matt Sickles a Paul Harris Fellow.

After serving as superintendent of the Midlakes schools for the past five years Matt is leaving to take on the same position in the Cobleskill-Richmondville school district. Matt has been a loyal Rotarian over these past five years. He, and his wife Laurie, stepped up and took on the major responsibility of hosting our exchange student from Italy when we were in need of a host family. He assured the future of Interact at the high school by ensuring that the advisor position is now a paid position. He has kept the club informed and updated on all the challenges, and successes, the school district has faced during the difficult time of Covid. We wish Matt and his family all the best. Pictured are Matt, Laurie, Past District Governor Scott, and Past District Governor Dave Hannan who assisted in the presentation.

Program: Past District Governor Dave Hannan, who now serves as district Foundation Committee Chairperson, brought us up to date on the mission and function of The Rotary Foundation (TRF) and our club's history with the Foundation. The mission of the Foundation is to help Rotarians to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty—around the world and in our own communities. Our club members have been generous to the Foundation in the past and in turn we have been awarded a number of district grants to support worthy projects in our local communities. It was an informative program.
