RECAP OF 13 SEPTEMBER MEETING

ATTENDANCE: 12 **GUESTS:** Chelsea DeBoover and daughter
50/50: Barb Barkley. "Put it back in". Thanks Barb. The big pot is now \$205.

PROGRAM: Chelsea DeBoover arranged for our club to take a private, behind the scenes, tour of the brand new CS Hospital Rob and Pamela Sands Emergency Dept. and the connected Comprehensive Psychiatric Emergency Program (CPEP). Amanda Palmer, Nurse Manager, told us that this new 24/7 facility will have 11 medical and 6 behavioral health beds, more than double the current total of 8. This is an amazing state-of-the art facility, much needed because of the increasing demand for

emergency room and behavioral health services. Besides improved capacity a further purpose of the new facility is to allow more patients to stay in Clifton Springs and not be transferred. They will be able to stay closer to home thus alleviating some stress for the patients and family members. New staff positions are currently being filled and the final construction stages are being completed. It is hoped that all will come together and the facility will be able to open in mid November.
