RECAP OF 4 OCTOBER MEETING

ATTENDANCE: 11 + Jason Briggs and Barb Barkely on-line.
50/50: Jean Day. "Let it Ride". Thank you Jean. The big pot is now **\$250**.

PROGRAM: President David led us through our first quarterly Club Assembly of this year. The purpose of a Club Assembly is to share information with Club members, identify issues and discuss future plans. This assembly was focused on organizing and setting committee goals for this Rotary year. Those in attendance split into small groups each focused on one of our important club committees. We worked on Membership Goals, Community Service Goals, Public Image Goals, and Fundraising Goals. By the end of the meeting each group gave their goals and discussion notes to Pres. David who will share this information will all members in the near future. Committees will meet periodically to follow-up and further refine plans to meet the set goals. It was a very productive meeting.
